

Study Compensation

Laboratory Visits

- For each in-person visit you complete, you will receive \$100 and a \$25 gas card.
- If you end the study early, you will earn \$10/hour for every hour completed during the visit.

Morning and Evening Assessments AND Breathalyzer Tests

- If you complete morning assessments, evening assessments, and breathalyzer tests for at least 5 days per week, you will receive \$10 per week.
- Note: all three must be completed each day to get credit for that day.

Bonus

- If you complete both lab visits, the daily assessments, and the daily breathalyzer tests, you will receive a \$50 bonus.

Treatment

- If you watch all 28 videos, you will receive \$40.
- OR you will receive \$10 per week for each week you watch all 7 videos for that week.

Smoke-Free Period

- You will receive \$100 if you remain smoke-free for 28 days prior to Visit 2.
- You must remain smoke-free for the full 28 days to receive this payment.

Total Compensation

If you complete all aspects of this study, the total payment is \$520.
